**CENTRIFUGAL BLOWERS**

# AIRCON SYSTEMS

## ***RICH EXPERIENCE***

We are ranked amongst the foremost manufacturers, exporters and suppliers of Pulse Jet Bag Filters, with an experience of over four decades. Clients can avail the offered range from us at the most reasonable prices.

## ***SUPERIOR PERFORMANCE***

Our product range is manufactured using high quality raw material with the help of sophisticated technology as per set industry standards. These are extensively appreciated by our patrons for their anti-corrosive nature, long service life and easy installation. Apart from this, these are obtainable in different capacities and load depending upon the customers' requirements.

## ***RELIABILITY***

We have catered to all the sectors from small Start-ups, Multi-national conglomerates to Govt sector Defence and Heavy Engineering units. We have got repeat business from every client of ours. Our systems have been highly reliability for our clients.

## ***CUSTOMER SUPPORT***

From initial consultation in detail about the customer's requirement and rich after-sales service, you are in safe hands working with us.
